AS

Summary

Aspiring developer currently attending Dublin High School (class of 2020) with competitive GPA and test scores. Current captain of VEX robotics team 5327B, globally known for winning awards for programming and design quality. Active member of Boy Scouts of America with 100+ service hours. Plenty of volunteering and leadership involving building houses in Mexico, leading a troop of boy scouts, and being JV volleyball captain. Very flexible and willing to work at any time excluding school hours.
